

Geneva *Modern-Drop Ogee*

With its clean, attractive edge contour lines, Geneva takes countertop beauty to a whole new dimension. Its subtle modern-drop ogee emanates understated class, adding distinctive beauty with a luxurious look.

The future is beyond flat. Experience VT Dimensions.

The Geneva modern-drop ogee profile adds dimensional beauty and character to VT Dimensions countertops. More than just a flat surface, VT Dimensions bring everything together into one seamless and contoured offering—with the depth, the style, and seamless edge you want.

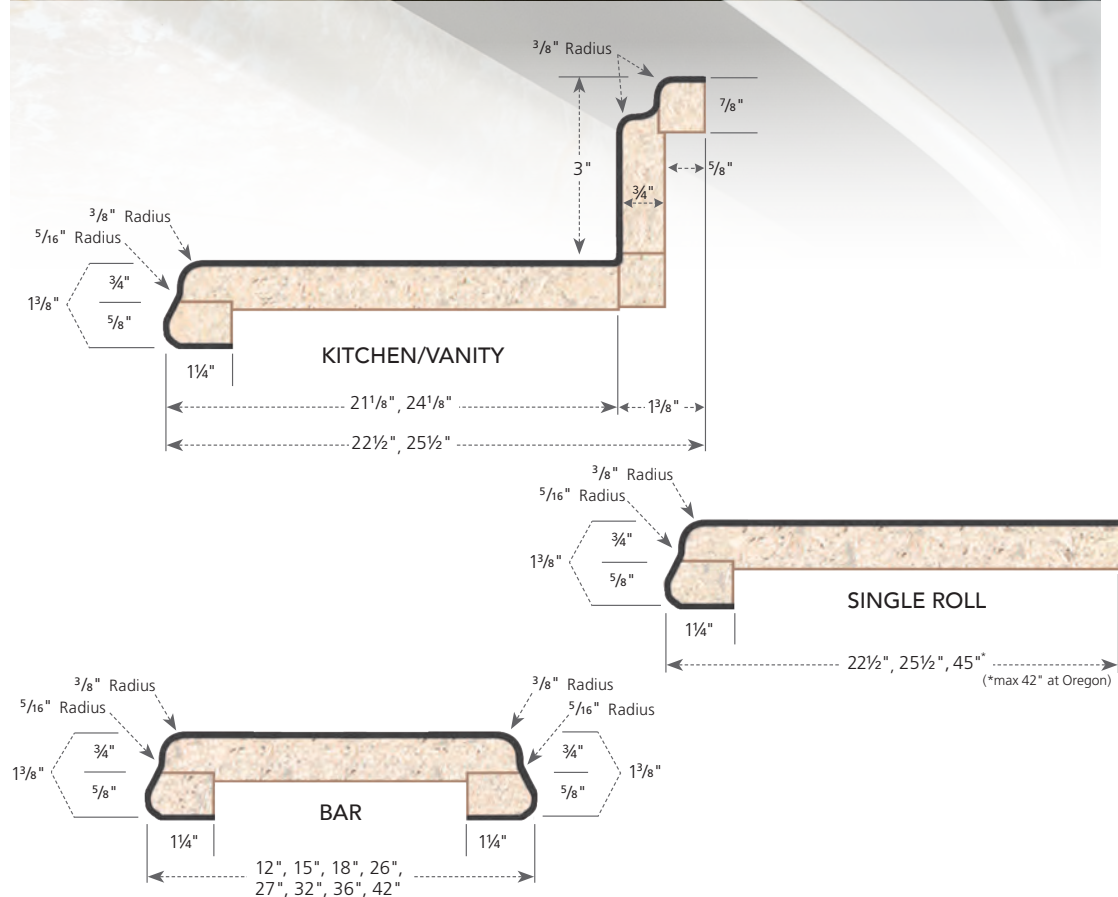

Experience a whole new dimension in countertops with VT Dimensions.
